Portugal's incorporation into the European Union in 1986, has meant astounding prosperity for this fascinating Iberian nation. Portugal offers outstanding landscape diversity, due to its North-South disposition along the western shore of the Iberian peninsula. You can travel in a single day from green mountains in the North, covered with vines and all varieties of trees to rocky mountains, with spectacular slopes and falls, to a near-desert landscape in the Alentejo region and finally to the glamorous beach holidays destination Algarve. If you hunger to experience the splendor of European landscapes, culture and way of life, Portugal will satisfy your desires.
